Dear Mamoun,

APPROVAL OF DAIRY MAINTENANCE COMPOUND FOR USE IN FARM DAIRIES AND FOR USE IN DAIRY PROCESSING

The renewal of the product **Selontra Soft Bait** has been considered in conjunction with the independent assessment reports formerly provided and has been determined to satisfy the requirements of regulations 12, 13, 14, 53, and 247 of the Animal Products Regulations 2021 and regulation 43 of the Raw Milk for Sale Consumers Regulations 2015, when used in accordance with the label.

The product **Selontra Soft Bait** has been assessed and is approved for use in farm dairies and for use in dairy premises when used in accordance with label instructions.

This approval of the compound for use in farm dairies is subject to the following conditions:

1. To be used in accordance with label instructions as a rodenticide.
2. Use only with an appropriate bait station.

Where this approval is stated on the product label, the statement "MPI approved for use in farm dairies" is to be used, unless an alternative is agreed in writing by MPI.

This approval of the compound for use in dairy processing is subject to the following conditions:

1. To be used in accordance with label instructions as a rodenticide.
2. Use only with an appropriate bait station.

Where this approval is stated on the product label, the statement "MPI approved for use in dairy processing" is to be used, unless an alternative is agreed in writing by MPI.

Should this product be determined to be unsatisfactory when used as recommended by the manufacturer or an agent of the manufacturer at the stated dosage, MPI may withdraw this approval.

Review

This approval of a dairy maintenance compound for use in farm dairies and dairy processing is valid for a maximum period of 5 years but is subject to periodic review and may be withdrawn at any time should the Director-General determine that there is sufficient evidence that the product is not fit for the purpose for which this approval applies. You will be issued a letter prior to the review date, which is set at **26 June 2028**, but you are responsible for ensuring that this review is completed if you wish to retain MPI approval of the above dairy maintenance compound.

Yours faithfully,

Maree Zinzley
